Partnering Agreement
Between
North Carolina Agricultural & Technical State University
And
Wilmington District, U. S. Army Corps of Engineers

Purpose: The purpose of this partnering Agreement between North Carolina Agricultural & Technical State University (NCA&TSU) and the Wilmington District, U.S. Army Corps of Engineers (CESAW) is to commit the two organizations to work together to enhance opportunities for NCA&TSU students throughout the Corps. We recognize that a workforce comprised of diverse, high-performing individuals with valuable talents and strengths, is critical to providing excellent services to all Corps customers.

Goals: We have established the following goals for our partnership:

- To enhance the preparation of NCA&TSU students for responsible careers in an engineering/technical environment
- To enlighten NCA&TSU students about the Corps, its missions, unique capabilities, and opportunities
- To assist NCA&TSU in educating its engineering/technical students
- To enhance the diverse pool of talent through the Wilmington District and the Corps

Implementation: We commit ourselves to achieve our goals through periodic partnering sessions and accomplishment of the specific actions described within our implementation plan. As leaders, we commit to promote partnering at all levels of our organization.

Effective **This agreement is effective October 1, 1997 and will be reviewed periodically**
